## More Registers.

---

MORE is a parish, in the diocese of Hereford, Archdeaconry of Ludlow, rural deanery of Bishop's Castle (until recently in that of Clun), and hundred of Purslow. The area is 3511 acres, and the population in 1891 was 178.

The Parish Register Abstract, 1831, contains this notice of the Registers of More:—"More R. Nos. I.—IV. Registers (Parchment), 1600—1812." As will be seen, this account is both inaccurate and incomplete.

The First Old Register Book of More begins in 1569, and goes to 1686. It is parchment, and consists of twenty two leaves besides the cover. It is in English with bits of Latin put in during the latter part of the 17th century. It is in a very bad condition through damp, and it would appear wanton destruction. The top and outside edges of most pages are utterly gone; some entries have been wantonly scratched out; others purposely obliterated with some red fluid. Two pages have been cut in half, and one page torn in half. Many of the early entries were so faded by damp as to be quite unreadable.

The Second Register Book begins in 1687, and goes to 1762, and consists of twenty leaves besides the cover. All in good order and condition.

The Third Register Book begins in 1763, and goes to 1808. Baptisms and Burials only. Gaps 1786 to 1789, and 1808.

Register Four. Baptisms and Burials begin in 1809, and go to end of 1812.

Register Five. Marriages only begin in 1753, and go to end of 1812.

The principal family named in the Registers is that of More (or Moore) of More, Linley, and Larden. Amongst other entries will be found, the burial in 1662 of Samuel More, the parliamentary colonel, who defended Hopton Castle, and sat in Cromwell's parliament, 1656; the marriage in 1659 of his daughter Ann to John Turton, afterwards Justice K.B.; and the burial in 1698 of his son Richard More, M.P., for Bishop's Castle for ten years.

Other families styled gent. or Mr. in the Registers are those of Bradoxe, Farmer, Pickering, Young, &c.

A list of the early rectors of More from 1220 to 1417, is given in Eyton's *Antiquities of Shropshire*, XI. 291—2. The following later rectors are named in the Registers:—

1615—36. William Biggs, buried 16 March, 1636.

1636—78. John Lawson, buried 12 July, 1678.

1678—87. Daniel Wall, B.A., Magdalen Hall, Oxford; buried April, 1687.

- 1688—1719. Samuel Milward, buried 15 Feb. 1719.  
 1719—41. Edward Rogers, M.A., Balliol College, Oxford.  
 1741—49. Robert Daubrie. [? M.A., Pembroke College, Oxford.]  
 1749—61. Richard Cotton, buried 16 January, 1761, aged 35.  
 1761—76. Thomas Haslewood. [? M.A., Queen's College, Oxford.]  
 1776—1833. Robert Taylor, M.A., Worcester College, Oxford; died 1833.  
 1834—60. Thomas Frederick More, B.A., Pembroke College, Cambridge;  
 of Linley Hall; died 7 December, 1869.  
 1860—88. Arthur Somery Male, M.A., St. Peter's College, Cambridge;  
 died 14 July, 1888.  
 1888. Edgar William Cockell, M.A., St. Catherine's College  
 Cambridge.

These Curates occur:—Joseph Orme, 1730—32, Joseph Dickenson, 1735,  
 William Edwards, 1736, Richard Reynolds, 1737—40.

The More family are patrons of the Rectory.

The Church, which is dedicated to St. Peter, was originally an affiliation  
 of Lydbury North, but became independent at an early date. In 1291,  
 it was valued at £4 6s. 8d. per annum. The *Valor* of 1534—5 returns it  
 as worth £8 13s. 4d. per annum. The present building was partially rebuilt  
 in 1845, in the Early English style. There is an engraved view of the old  
 Church in "Eyton." There are three bells, inscribed as follows:—1612,  
 Gloria in Excelsis Deo. 1617, Jesus bee our speede. 1624, Cantate  
 Domino Canticum Novum. In the tower is an old library, the gift of  
 Richard More in 32 Charles II., "to teach the minister sound doctrine."

More was originally a member of Lydham, but became temp. Henry I.,  
 a tenure by grand serjeantry. The lord of More had to command 200  
 foot-soldiers, whenever any King of England marched into Wales, and he  
 himself was to march in the vanguard of the army, and with his own  
 hands to carry the King's standard. Adam de la More was head of the  
 More family in 1157, but was dead in 1180. His descendants have  
 continued to be lords of More and patrons of the rectory to the present  
 day.

A presentment of More and Moreswood in 1688 states:—"We have no  
 murders bloodsheeds or robberies in ye Constablwick committed. We  
 have no ale house either licensed or nnlicensed whereby the assize of  
 bread or ale should be broken. We have no common drunkards. We  
 have no eavdroppers, whereby to make dissention between neighbour  
 and neighbour."

The Registers were transcribed partly by a gentleman who has done  
 much good work for the Society in the Deanery of Clun, and partly by  
 the present rector, who has himself compared the proof-sheets with the  
 original registers as they passed through the press, and by whose kind  
 permission they are here printed.

MORE RECTORY,

E. W. COCKELL.

April, 1899.

WM. STARR, HUM. SANKEY—Ch. W.							

*Vide* back to year 1779

Look back to year 1779.

*Memorandum.*—I hereby certify that on becoming Rector of More in the year 1860 I received the Register Books exactly in their present state. No registers appear to have been made between A.D. 1807 and 1813. It appears to have been intended to enter some after those of the year 1784, but none are down there.

A. S. MALE—Rector.

JOHN MELLINGS—Ch. W.

*Note.*—Pages have been removed at some time between years 1786 and 1789. The Registers for 1809 to 1813 mentioned above are in a separate book. The year 1808 is still wanting.

Dec., 1888.

E. W. COCKELL—Rector.

On Thursday, ye 20th of March, 1783, I put the bones of two skeletons into the ground in the Court near the end of this house, which bones were left here by the Executors of the late Rector, Mr. Hazlewood. I enter this memorandum that, if hereafter these bones should be dug up, people may not be surprized at finding human bones in such a place.

ROB. TAYLOR—Rector.

Appointed Joseph Whittall Clerk of the More Church, this day, July 28th, 1823, by me.

RICHARD SANDFORD.

[1809-1812]

[Register No 4.]

## A Digest of the Parish Registers

WITHIN THE DIOCESE OF WORCESTER,

Issued by the Committee of Parish Registers,

By Authority of the WORCESTER DIOCESAN CONFERENCE.

This Digest has been prepared under the direction of a Committee appointed at the Diocesan Conference, held at Birmingham, in 1896, and has been completed from the original Returns supplied by the Incumbents of the Parishes within the Diocese. The dates when each Volume of Registers commence and end, the number of leaves, material on which they are written, and the size and general condition, are all clearly stated under each parish.

Added to all this useful information, is a table showing for what years in every parish the Bishops Transcripts, previous to 1700, are now in existence in Edgar Tower, Worcester.

As only a limited number of copies has been printed, early application is necessary to secure a copy.

The Midland Educational Company, Ltd., Corporation St., Birmingham.

Price, 5s. Nett, Post Free.

## *A Supplement to How to Write the History of a Family,*

By W. P. W. PHILLIMORE, M.A., B.C.L.

The First and Second Editions have been long since quite exhausted. Much additional information of practical value has been gathered together since the handbook was issued, and this has been put together in the form of a separate supplement, so that it may be available for the possessors of each edition. The supplement matches the original work.

It contains amongst other matter a Chapter for Beginners, Chapters on Scotch and Irish Genealogy and Records, which have been revised by Lyon King of Arms, Ulster King of Arms, and the Deputy Keeper of the Public Records, Ireland, and revised Lists of Probate Registries (England, Scotland, and Ireland) and Marriage Licenses, etc.

Fifty copies are printed on Dutch handmade paper. Price 5s. 6d.

PUBLISHED BY W. P. W. PHILLIMORE, 124, CHANCERY LANE, W.C.
